"All birds find shelter during a rain, but eagle avoids rain by flying above the clouds".
- A.P.J Abdul Kalam

Placement is one of the milestones of our department. We equip the students with relevant and conceptualized professional skills and guide them towards a bright future and career with values. The enthusiastic response of the students to the placement is an endorsement of our strategy in offering progress-focused opportunities. It is not about ideas. It is about making ideas happen. Our department makes ideas happen by preparing the students in a systematic manner to get placements in eminent companies.

ABOUT US

The Department of MCA at St.Xavier's College, Palayamkottai, was started in 2000 with the approval of the AICTE. Most of the alumni members are well-placed in reputed organizations like TCS, CTS, WIPRO, TARENTO, STRADEGI, INFOSYS, TECHMAHINDRA, ORACLE, etc.,. With a Vision, Passion for Creativity and Compassion for Humanity, we as a Jesuit Educational Institution for men and women who are ardent, altruistic, ambitious and humane having greater responsibilities for the modern world.

To put what we have conceived into effect, we organize Workshops, Campus recruitments, Seminars, Conferences and Talks hosted by industrialists and IT professionals. Hence our students gain empirical knowledge and are able to find relevance to the subjects that they learn in the class rooms. These interactions eventually fetch placements for our students in the industries and organization. We deem it our honour that every student who joins MCA in St. Xavier's is entitled to quality education and is exposed to the land of opportunities.

From the Desk of the Principal

"Actions speak louder and clearer than words"

I feel great pleasure in releasing the fifth issue of MCA department Newsletter. It is a milestone of academic excellence and extra-curricular performances which has enlarged and enriched the MCA's academic map. The department presents a happy blend of traditional and technical education where knowledge is imparted to the students so that they may occupy a better place in the modern competitive world and develop all round personalities retaining the beauty of mind and intellect as well as of soul. It has made its mark in academic, sports and cultural fields. I assure that MCA Department will play a meaningful role in the competitive times ahead and scale new heights, translating the dreams of the students of this area into reality and impart meaningful education in this rural area.

Rev. Dr. V. Britto

Message from the HOD of MCA

The true education should deepen our insight, widen our horizon and create a meaningful outlook. The students and faculty of the department are always proactive in technical, cultural and social events. Also our students excel in Campus interviews and placed in various eminent companies.

At the outset, I specially congratulate the Editor and the members of the Newsletter committee for their efforts in bringing out the Newsletter. I wish all the very best in their endeavors.

Dr. S. Chidambaranathan
