### NEWS LETTER 2014

#### From HOD's Desk

The Department of Computer Applications(MCA) has earned the reputation being the most distinctive Department in St.xavier's campus offering a gamut of high technology-oriented programme. Our goal is to impart value based quality education & training to students along with the development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. The excellent infrastructure, teaching faculty of the best kind ensuring quality education such as interaction among students, parents, staff, along with the campus interviews ensures bright future to its students. Thus we are confident that our students will emerge as assets not only to this institution and to the organization they belong, but also to the country at large. As Head of the Department, I believe that my students are working with a tremendous team-spirit and we create our students to be the best technocrats for the industry and to accept the challenges in the global world.
