He said the total number of programmes conducted / assisted by IQAC was 88 upto 29th October 2021 and the number of beneficiary was 28584.

IQAC Director presented a report on NIRF Result Analysis.

St. Xavier's College (Autonomous), Palayamkottai was ranked - 67 out of 1802 Colleges participated in NIRF ranking 2021. The SWOC Analysis of NIRF - Result Analysis is given below.

Strength

- Quality of Publications (QP)
- Women diversity (WD) (students and staff)

Weakness

- Quantity of Research Publications (PU)
- Students from Other States / Countries with regard to *Regional diversity (RD)*

Opportunities

- Student strength (SS)
- Faculty student ratio (FSR)
- Faculty with PhD and Experience (FQE)
- Metric for University / College Examinations (GUE).
(That is, No. of students graduating within the minimum stipulated time to be increased)
- Full tuition fee reimbursement by the institution to pursue their degree programme.

Challenges

- Placement and Higher Studies(GPH) because students do not have aspiration to get placed – (students did not come forward to attend interview).
- Median Salary (GMS)
- Perception: Employers & Academic Peers

Action to be taken to get a rank below 25th Rank in NIRF-by our Staff members

- Staff members need to encourage their students to enrol for higher studies and update the placement details (salary slip or placement order+ id card) every year with proofs.
- Staff members have to complete their Ph.D programme as early as possible. (4+42=46)
- All staff members with Ph.D to become research guide and guide is Ph.D students ().
- All staff members need to publish at least 2 research paper (WOS, Scopus, SCI journals) every year
- Publishing papers in WoS-Science scopus indexed / social science indexed journals is recommended.

- Staff members are encouraged to apply for grants from funding agencies for major and minor projects.

Action to be taken to get a rank below 25th Rank in NIRF- by the Management

- To increase student strength
- To start more number of UG and PG programmes
- To increase other state and other country students for UG, PG, & Ph.D Programmes
- If all appointments are only Ph.D qualified teaching staff for both shifts, the score will increase for quality of faculty.
- No. of students graduating in minimum stipulated time (it should be 100%).

Financial resources and Utilization

- To increase the No. of students receiving full tuition fee reimbursement from Institution Funds
- If possible, To increase the grant for Seminars/Conferences/Workshops (government and management)
- Other colleges show a big amount as salary. So if CAS is done on time, the amount will increase.
- To provide seed money to the staff members for research.

As per TANSCHER, guidelines, Professional English course is offered as SBE. It was decided to conduct Training program for staff members teaching professional English.

UG insists upon the completion of an induction programme by all teachers. As shift I teachers take up induction programme for their CAS, it was suggested that all Shift II teachers would complete online induction programme as early as possible.

Finally Dr. S. Chidambaranathan, Placement officer proposed the activities of the Placement Cell.

Mr. Thomas Antony (member from Employers) and Mr. A. Jothi, (Industrialist) suggested to enhance the interaction of the institution with the industries. He proposed that SXC can become a member of Confederation of Indian Industries (CII) which will pave way to enter into MoU with Industries and thereby it will facilitate for implementing internship for all. Dr. S. Sudha Rani, Nominee from local society and former IQAC Director, St. Mary's College, appreciated the college for the number of activities carried out amidst COVID.

Fr. Principal thanked all members for their active participation and the meeting came to an end at 4 p.m.

Action Taken Report

- IQAC conducted orientation programme for the teachers teaching professional English on 22nd February 2022. Training manual was distributed.
- IQAC conducted Orientation programme for the teachers teaching professional English on 17th March 2022 on classroom activities for all the four language skills: Listening, Speaking, Reading and Writing.
- Shift II teachers have been instructed by Fr. Principal & Fr. Secretary to complete online induction programme by August 2022.
- Internship is made compulsory to enhance the Institution. Industry interaction.
- 20 MoUs have been established to carry out curricular, co-curricular and extra-curricular activities.
- Management has started a new scheme of sanctioning seed money of Rs 2000 for the research guides for the completion of each Ph.D. This will enhance research output.
- Placement Cell has conducted 25 Campus recruitments.

IQAC facilitated all the departments to conduct 110 programmes through online zoom portal (with livestreaming in YouTube) and the total number of beneficiaries is 31,342 in the academic year 2021-22 which made the academic community vibrant in learning amidst the dangerous pandemic COVID-19.

The external Peer Review (Academic Audit) was conducted on 23.03.2022. The Heads of the Departments presented the report of the academic activities carried out in the academic years 2018-19, 2019-20 and 2020-21.

MoUs Established

Rev. Dr. S. Mariadoss S. J.(Chairman of IQAC), Dr. A. Lourdusamy, (IQAC Director) and Dr. R. Azhagu Raj, (IQAC Assistant Director) attended the meeting of Xavier Board of Higher Education on 14th & 15th May 2022 in Ernakulam. A total of 20 MoUs with higher educational institutions across the country were established for the promotion of curricular, co-curricular and extra-curricular activities.

Consultancy extended

A team of 14 members from Erode Arts and Science College visited our college on 7th May 2022 to know the details regarding NAAC Accreditation. IQAC explained all details regarding NAAC Accreditation.

Feedback and Audit

Feedback on Curricular Aspects from final year UG/PG students was collected by IQAC. Feedback on Curricular Aspects from Alumni, Parents, Teachers, and Employers was collected.

Student Feedback on teachers for odd semester in the academic year was conducted through online mode in Internet Centre in December 2021. For even semester, it was conducted in the last week of May 2022 through online mode in Internet Centre.

IQAC in collaboration with the departments of Physics, Botany, and Zoology conducted energy audit, green audit and environmental audit.

Mrs. J. Remy, Coordinator, Dept. of Computer Science presented the activities of the Department of Computer Science (Shift II) and shared with the members the methods she followed to prepare AQAR report based on the questionnaire given by IQAC.

Fr. Principal thanked all members for their active participation and the meeting came to an end at 11.30 a.m.

Action Taken Report:

IQAC collected the reports for the questionnaire distributed to different units of the college for submitting AQAR report to NAAC.
